2009 Schedule of Fees and Charges

Application Fee

An Application Fee is payable when the Application for Enrolment is lodged. The Application Fee (which is non-refundable and inclusive of GST) is \$200 per student.

Acceptance Fee

An Acceptance Fee is payable when accepting a place offered by the School. The fee (which is non-refundable) is \$1500 per student, which is paid within 30 days of notification that a place has been offered. Payment of the Acceptance Fee is deemed to be acceptance of the offered place.

Notes:

1. Application and Acceptance Fees will not appear on your school fees account and will not be treated as credits towards your school fees account.
2. Fees and Charges, and Family Allowances are set each year by the School Council as part of the annual budgetary process. The Council reserves the right to vary these at any time by written advice.
3. This Schedule of Fees and Charges does not apply to international students. A separate schedule with relevant enrolment procedures and fees and charges is available from the School office.

Payment of Fees and Charges

Fees and charges are due and payable in advance on or before the first day of the term to which they relate. There are several options available for payment of School Fees and Charges. These include:

1. Full payment by cheque at the commencement of each term;
2. **BPAY**[®] (including debit or credit card link to bank account);
3. Fortnightly or monthly instalments by direct debit;
4. The entire year's School Fees and Service Charges at the commencement of the year.

Where circumstances arise that may prevent timely settlement, contact should be made with the school office at the address/telephone number shown on the statement as it may be possible to make alternative suitable payment arrangements. Fees and charges not paid by the end of term, or not the subject of an approved arrangement, may lead to the exclusion of the student from the following term.

Withdrawal of a Student

Enrolment continues normally until the completion of Year 12 at the school.

A full term's notice in writing to the Principal is required if the student is to be withdrawn.

If adequate notice is not given then a charge equal to 50% of the applicable term's School Fees will become payable.

Optional Charges

School Bus

Transport of students to and from their homes to the school can be arranged. Preference is given to students up to Year 4. Charges and conditions are available on application to the school office.

Out of School Hours Care

Charges and conditions are available on application to the school office.

Private Tuition

A list of optional private tuition choices and charges is available from the school office. The school acts as agent only for the various contractors who provide these services.

Voluntary Contributions

Building Fund

Future development of the School relies to a considerable extent on money raised through voluntary contributions to the Building Fund. Whilst fees help in meeting the running costs of the school, new buildings and major renovations are assisted by Building Fund donations. An amount of \$75 per term is recommended as a contribution from each family.

All voluntary contributions to the Building Fund are tax deductible.
